

## Negative Test Declaration COVID-19

You must keep this Negative Test Declaration with you for verification purposes during travel and on arrival.

You must show this declaration and the negative test result itself when boarding the aircraft or ship, or when requested to do so by airport or ship staff or the designated (medical) authority, such as the Royal Netherlands Marechaussee. Otherwise, you may be denied entry to the Netherlands or the aircraft or ship.

The information you provide may be used by the public health authorities, in accordance with Dutch legislation and in the context of the public health response to COVID-19. Travellers aged 13 and over from outside the Schengen area are required to complete this declaration. There are some exceptions; see [www.government.nl](http://www.government.nl).

### 1 Personal data
